Dear Timothy Leary,

Just a short note to remind you of my letter of last summer about a tribute/festschrift for Allen Ginsberg's 60th birthday. If you'd like to be included in it, I'd like to get your piece soon.

We have set a tentative deadline of June 1, 1984 for the anthology and would appreciate a short contribution of 1 or 2 pages, something previously uncollected. So far we have heard from more than 75 people who plan to contribute to this project.

I hope you will want to include yourself in that group and that you will let me know. Even if you are not interested please drop me a card so that I will know that this note has reached you.

Thank you for your interest.

Sincerely,

*Bill Morgan*

Dear Timothy Leary,

Thank you for your piece for the Ginsberg tribute. It's perfect and will fit in well with the other contributions.

I've re-typed it and am enclosing a copy of that for your files. Please let me know if there are any corrections or changes that you'd like to make. Let me know if you are happy with the capitalization, I've kept it as you wrote it, but there are several words I'm unsure of. Also please check the title, which is fine but thought that you might like to think of another as many of the pieces are titled in similar ways. This is not an important point, but one that you might consider.

Once again thanks for a perfect memorial to Allen, I know that he will appreciate it.

Sincerely,

*Bill Morgan*
